DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS

FOR

THE CLIFFS AT KEOWEE VINEYARDS

THIS DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS FOR THE CLIFFS AT KEOWEE VINEYARDS is made as of this 4TH day of SEPTEMBER, 1997.

STATEMENT OF PURPOSE

This Declaration is intended to impose upon the Properties (as defined herein) mutually beneficial restrictions under a general plan of improvement for the benefit of all owners of real property within the Properties, to provide a flexible and reasonable procedure for the overall development of the Properties, and to establish a method for the administration, maintenance, preservation, use and enjoyment of such Properties as are now or hereafter subjected to this Declaration.

NOW, THEREFORE, all of the property described in Exhibit "A" and any additional property which is hereafter subjected to this Declaration shall be held, sold, used and conveyed subject to the following easements, restrictions, covenants, and conditions, which are for the purpose of protecting the value and desirability of and which shall run with the title to the real property subjected to this Declaration. This Declaration shall be binding on all parties having any right, title, or interest in the Properties or any part thereof, their heirs, successors, successors-in-title, and assigns, and shall inure to the benefit of each owner thereof.

Article I DEFINITIONS

The terms in this Declaration and in the exhibits to this Declaration shall generally be given their natural, commonly accepted definitions except as otherwise specified. Capitalized terms shall be defined as set forth below.

1.1. "Area of Common Responsibility": The Common Area, together with those areas, if any, which by the terms of this Declaration, any Supplemental Declaration or other applicable covenants, contract, or agreement with any Neighborhood, become the responsibility of the Association.

1.2. "Articles of Incorporation" or "Articles": The Articles of Incorporation of The Cliffs at Keowee Vineyards Community Association, Inc., as filed with the Secretary of State of the State of South Carolina as amended from time to time.

1.3. "Association": The Cliffs at Keowee Vineyards Community Association, Inc., a South Carolina nonprofit corporation, its successors or assigns.

1.4. "Base Assessments": Assessments levied on all Lots subject to assessment under Article X to fund Common Expenses for the general benefit of all Lots, as more particularly described in Sections 10.1 and 10.3.

1.5. "Benefitted Assessment": An assessment levied in accordance with Section 10.7.

1.6. "Board of Directors" or "Board": The body responsible for administration of the Association, selected as provided in the By-Laws and generally serving the same role as the board of directors under South Carolina corporate law.

1.7. "Builder": Any Person which purchases one (1) or more Lots for the purpose of constructing improvements thereon for later sale to consumers or which purchases one or more parcels of land within the Properties for further subdivision, development, and resale in the ordinary course of such Person's business.

1.8. "By-Laws": The By-Laws of The Cliffs at Keowee Vineyards Community Association, Inc., as they may be amended from time to time.

1.9. "Class "B" Control Period": The period of time during which the Class "B" Member is entitled to appoint a majority of the members of the Board of Directors, as provided in Section 3.2 of the By-Laws.

1.10. "Common Area": All real and personal property which the Association now or hereafter owns, leases or otherwise holds possessory or use rights in for the use and enjoyment of the Owners. The term shall include the Exclusive Common Area, as defined below.

1.11. "Common Expenses": The actual and estimated expenses incurred, or anticipated to be incurred, by the Association for the general benefit of all Owners, including any reasonable reserve, all as may be found to be necessary and appropriate by the Board pursuant to this Declaration, the By-Laws, and the Articles of Incorporation of the Association.

1.12. "Community-Wide Standard": The standard of conduct, maintenance, or other activity generally prevailing throughout the Properties. Such standard may be more specifically determined by the Board of Directors and the New Construction Committee.

1.13. "Covenant to Share Costs": Any agreement or contract between the Association and an owner or operator of property adjacent to the Properties for the allocation of expenses that benefit both the Association and the owner or operator of such property.

1.14. "Declarant": Keowee Investment Group, LLC, a South Carolina limited liability company, or any successor, successor-in-title, or assign who takes title to any portion of the property described on Exhibits "A" or "B" hereof for the purpose of development and sale and who is designated as the Declarant in a recorded instrument executed by the immediately preceding Declarant.

1.15. "Exclusive Common Area": A portion of the Common Area which the Association now or hereafter owns, leases, or otherwise holds possessory or use rights in for the exclusive use or primary benefit of one (1) or more, but less than all, Neighborhoods, as more particularly described in Article II.

1.16. "Lot": Each numbered, platted lot, whether improved or unimproved, shown on any subdivision plat of the Properties, which is intended for development, use, and occupancy as a residence for a single family. The term shall refer to the land, if any, which is part of the Lot as well as any improvements thereon. The term shall not include Common Areas, common property of any Neighborhood Association, or property dedicated to the public.

In the case of a parcel of vacant land which has not been platted, the parcel shall be deemed to contain the number of Lots designated for residential use on the site plan approved by the Declarant until such time as the parcel is shown on a subdivision plat.

1.17. "Member": A Person entitled to membership in the Association.

1.18. "Mortgage": A mortgage, a deed of trust, a deed to secure debt, security deed, and any and all other similar instruments used for the purpose of encumbering real property as security for the payment or satisfaction of an obligation.

1.19. "Mortgagee": A beneficiary or holder of a Mortgage.

1.20. "Neighborhood": A separately developed residential area within the Properties, whether or not governed by a Neighborhood Association, in which the Owners of Lots may have common interests other than those common to all Members of the Association. For example, and by way of illustration and not limitation, each patio home development and single-family detached housing development may each constitute a separate Neighborhood, or a Neighborhood may be comprised of more than one (1) housing type with other features in common. In addition, a parcel of land intended for development as any of the above may constitute a Neighborhood, subject to division into more than one (1) Neighborhood upon development.

Where the context permits or requires, the term Neighborhood shall also refer to the Neighborhood Committee (established in accordance with the By-Laws) or Neighborhood Association (as described in Article II of this Declaration) having concurrent jurisdiction over the property within the Neighborhood. Neighborhood boundaries may be established and modified as provided in Article II of this Declaration.

1.21. "Neighborhood Assessments": Assessments levied against the Lots in a particular Neighborhood or Neighborhoods to fund Neighborhood Expenses, as more particularly described in Sections 10.1 and 10.4.

1.23. "Neighborhood Expenses": The actual and estimated expenses incurred or anticipated to be incurred by the Association for the benefit of Owners of Lots within a particular Neighborhood or Neighborhoods, which may include a reasonable reserve for capital repairs and replacements, all as may be specifically authorized from time to time by the Board of Directors and as more particularly authorized herein or in any Supplemental Declaration applicable to a particular Neighborhood.

1.24. "Owner": One (1) or more Persons who hold the record title to any Lot, but excluding in all cases any party holding an interest merely as security for the performance of an obligation. If a Lot is under a recorded contract of sale, and the contract specifically so provides, the purchaser (rather than the fee owner) will be considered the Owner.

1.25. "Person": A natural person, a corporation, a partnership, a trustee, or any other legal entity.

1.26. "Private Amenities": Certain real property and any improvements and facilities thereon located adjacent to, in the vicinity of, or within the Properties, which are privately owned and operated by Persons other than the Association for recreational, commercial and related purposes, such as a golf course, hotel, inn, restaurant, marina and amphitheater. By way of example and not limitation, The Cliffs at Keowee Vineyards Country Club shall be a Private Amenity.

1.28. "Club Membership": A Social/Athletic, Golf or other membership issued by The Cliffs at Keowee Country Club which entitles Members to use portions of the facilities in accordance with the membership documents. Membership use rights shall be determined in the sole discretion of the owner.

1.29. "Special Assessment": An assessment levied in accordance with Section 10.6.

1.30. "Supplemental Declaration": An amendment or supplement to this Declaration filed pursuant to Article IX which subjects additional property to this Declaration and/or imposes, expressly or by reference, additional restrictions and obligations on the land described therein. The term shall also refer to an instrument filed by the Declarant pursuant to Article II which designates Neighborhoods.

1.31. "Club" or "The Cliffs at Keowee Vineyards Country Club" or "The Cliffs at Keowee Vineyards Golf & Country Club, LLC.": The Cliffs at Keowee Vineyards Golf & Country Club, LLC, a South Carolina limited liability company, which owns certain recreational facilities available only by membership as more particularly described in Article XVI, Section 16.13.

Article II
USE OF PROPERTY AND NEIGHBORHOODS

2.1. Common Area. Every Owner shall have a right and nonexclusive easement of use, access, and enjoyment in and to the Common Area, subject to:

(a) This Declaration and any other applicable covenants, as they may be amended from time to time, and subject to any restrictions or limitations contained in any deed conveying such property to the Association;

(b) The right of the Board to adopt rules regulating the use and enjoyment of the Common Area, including rules limiting the number of guests who may use the Common Area;

(c) The right of the Board to suspend the right of an Owner to use recreational facilities, if any, within the Common Area (i) for any period during which any charge against such Owner's Lot remains delinquent, and (ii) for a period not to exceed thirty (30) days for a single violation, or for a longer period in the case of any continuing violation, of the Declaration, any applicable Supplemental Declaration, the By-Laws, or rules of the Association after notice and a hearing pursuant to Section 3.22 of the By-Laws;

(d) The right of the Association, acting through the Board, to dedicate or transfer all or any part of the Common Area pursuant to Section 4.8;

(e) The right of the Association, acting through the Board, to mortgage, pledge, or hypothecate any or all of its real or personal property as security for money borrowed or debts incurred, subject to the approval requirements set forth in Section 14.2; and

(f) The rights of certain Owners to the exclusive use of those portions of the Common Area designated "Exclusive Common Areas," as more particularly described in Section 2.3.

Any Owner may extend his or her right of use and enjoyment to the members of his or her family, lessees, and social invitees, as applicable, subject to reasonable regulation by the Board and in accordance with procedures it may adopt. An Owner who leases his or her Lot shall be deemed to have assigned all such rights to the lessee of such Lot.

2.2. Neighborhoods.

(a) Creation. The Declarant, in its sole discretion, may establish Neighborhoods within the Properties. If Neighborhoods are established, all Lots not specifically assigned to a Neighborhood shall be deemed assigned to the same Neighborhood.

The Lots within a particular Neighborhood may be subject to additional and/or modified covenants and the Owners within the Neighborhood may be mandatory members of a Neighborhood Association in addition to the Association. However, a Neighborhood Association shall not be required except as required by law. Any Neighborhood which does not have a Neighborhood Association may have a Neighborhood Committee, as described in Section 5.3 of the By-Laws, to represent the interests of Owners of Lots in such Neighborhood.

(b) Modification. The Declarant may unilaterally amend this Declaration or any Supplemental Declaration from time to time to establish or to redesignate Neighborhood boundaries; provided, however, two (2) or more Neighborhoods shall not be combined without the consent of Owners of a majority of the Lots in the affected Neighborhoods. If Neighborhoods are established, the Owner(s) of a majority of the total number of Lots within any Neighborhood may at any time petition the Board of Directors to divide the property comprising the Neighborhood into two (2) or more Neighborhoods. Such petition shall be in writing and shall include a plat of survey of the entire parcel which indicates the boundaries of the proposed Neighborhood(s) or otherwise identifies the Lots to be included within the proposed Neighborhood(s). Such petition shall be granted upon the filing of all required documents with the Board unless the Board of Directors denies such application in writing within thirty (30) days of its receipt thereof. The Board may deny an application only upon determination that there is no reasonable basis for distinguishing between the areas proposed to be divided into separate Neighborhoods. All applications and copies of any denials shall be filed with the books and records of the Association and shall be maintained as long as this Declaration is in effect.

(c) Powers of the Association Relating to Neighborhoods. The Association shall have the power to veto any action taken or contemplated to be taken by any Neighborhood Association which the Board reasonably determines to be adverse to the interests of the Association or its Members or inconsistent with the Community-Wide Standard. The Association also shall have the power to require specific action to be taken by any Neighborhood Association in connection with its obligations and responsibilities hereunder or under any other covenants affecting the Properties. Without limiting the generality of the foregoing, the Association may (a) require specific maintenance or repairs or aesthetic changes to be effectuated by the Neighborhood Association, and (b) require that a proposed budget include certain items and that expenditures be made therefor.

Any action required by the Association in a written notice pursuant to the foregoing paragraph to be taken by a Neighborhood Association shall be taken within the reasonable time frame set by the Association in such written notice. If the Neighborhood Association fails to comply with the requirements set forth in such written notice, the Association shall have the right to effect such action on behalf of the Neighborhood Association. To cover the Association's administrative expenses in connection with the foregoing and to discourage failure to comply with the requirements of the Association, the Association shall assess the Lots in such Neighborhood for their pro rata share of any expenses incurred by the Association in

taking such action in the manner provided in Section 10.7. Such assessments may be collected as a Benefitted Assessment hereunder and shall be subject to all lien rights provided for herein.

Since a Neighborhood Committee is a committee of the Association, the Board shall have all of the power and control over any Neighborhood Committee that it has under applicable law over other committees of the Association. The authority of the Board shall include, without limitation, the power to veto any action taken or contemplated to be taken by any Neighborhood Committee and to require specific action to be taken by any Neighborhood Committee in connection with its obligations and responsibilities hereunder or under any other covenants affecting the Properties.

2.3. Exclusive Common Area. Certain portions of the Common Area may be designated as Exclusive Common Area and reserved for the exclusive use or primary benefit of Owners and occupants of Lots within a particular Neighborhood or Neighborhoods. By way of illustration and not limitation, Exclusive Common Area may include entry features, landscaped medians and cul-de-sacs, ponds and other portions of the Common Area within a particular Neighborhood or Neighborhoods. All costs associated with maintenance, repair, replacement, and insurance of an Exclusive Common Area shall be assessed as a Neighborhood Assessment against the Owners of Lots in those Neighborhoods to which the Exclusive Common Area is assigned.

Initially, any Exclusive Common Area shall be designated as such and the exclusive use thereof shall be assigned in the deed by which the Declarant conveys the Common Area to the Association or on the plat of survey relating to such Common Area; provided, any such assignment shall not preclude the Declarant from later assigning use of the same Exclusive Common Area to additional Lots and/or Neighborhoods, so long as the Declarant has a right to subject additional property to this Declaration pursuant to Section 9.1. Thereafter, a portion of the Common Area may be assigned as Exclusive Common Area of a particular Neighborhood or Neighborhoods and Exclusive Common Area may be reassigned only upon the vote of Members holding a majority of the total votes in the Association, including a majority of the votes within the Neighborhood(s) to which the Exclusive Common Area is assigned, if applicable, and within the Neighborhood(s) to which the Exclusive Common Area is to be assigned. As long as the Declarant owns any property described on Exhibits "A" or "B" for development and/or sale, any such assignment or reassignment shall also require the consent of the Declarant.

The Association may, upon approval of a majority of the members of the Neighborhood Committee or board of directors of the Neighborhood Association for the Neighborhood(s) to which certain Exclusive Common Areas are assigned, permit Owners of Lots in other Neighborhoods to use all or a portion of such Exclusive Common Areas upon payment of reasonable user fees, which fees shall be used to offset the Neighborhood Expenses attributable to such Exclusive Common Areas.

Article III MEMBERSHIP AND VOTING RIGHTS

3.1. Membership. Every Owner shall be deemed to have a membership in the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot.

No Owner, whether one (1) or more Persons, shall have more than one (1) membership per Lot owned. In the event a Lot is owned by more than one (1) Person, all co-Owners shall be entitled to the privileges of membership, subject to the restrictions on voting set forth in Section 3.2 and in the By-Laws and all such co-Owners shall be jointly and severally obligated to perform the responsibilities of Owners hereunder. The membership rights and privileges of an Owner who is a natural person may be exercised by the Member or the Member's spouse. The

membership rights of an Owner which is a corporation, partnership or other legal entity shall be exercised by the individual designated from time to time by the Owner in a written instrument provided to the Secretary of the Association.

3.2. Voting. The Association shall have two (2) classes of membership, Class "A" and Class "B."

(a) Class "A". Class "A" Members shall be all Owners except the Class "B" Member, if any. Class "A" Members shall be entitled to one (1) equal vote for each Lot in which they hold the interest required for membership under Section 3.1; there shall be only one (1) vote per Lot.

In any situation where there is more than one (1) Owner of a particular Lot, the vote for such Lot shall be exercised as such co-Owners determine among themselves and advise the Secretary of the Association in writing prior to any meeting. In the absence of such advice, the Lot's vote shall be suspended if more than one (1) Person seeks to exercise it.

(b) Class "B". The sole Class "B" Member shall be the Declarant. The Class "B" Member shall be entitled to three (3) votes for each Lot that it owns which is submitted to the Declaration. The Class "B" Member shall be entitled to appoint a majority of the members of the Board of Directors during the Class "B" Control Period, as specified in Section 3.2 of the By-Laws. After termination of the Class "B" control period, the Class "B" Member shall have a right to disapprove actions of the Board of Directors and committees as provided in Section 3.3 of the By-Laws. Additional rights of the Class "B" Member are specified elsewhere in the Declaration and the By-Laws.

The Class "B" membership shall terminate and become converted to Class "A" membership upon the earlier of:

(i) when the number of votes in the Class A membership held by Members occupying full-time homes on Lots equals the number of votes held by the Class B Member; or,

(ii) upon the expiration of six (6) years after the filing of this Declaration pursuant to Article III of the By-Laws; or

(iii) when, in its discretion, the Declarant so determines and declares in a recorded instrument.

Article IV ASSOCIATION FUNCTIONS

4.1. Common Area. The Association, subject to the rights of the Owners set forth in this Declaration, shall be responsible for the exclusive management and control of the Common Area and all improvements thereon (including, without limitation, furnishings, equipment, and common landscaped areas) and shall keep it in good, clean, attractive, and sanitary condition, order, and repair, pursuant to the terms and conditions hereof and consistent with the Community-Wide Standard.

4.2. Personal Property and Real Property for Common Use. The Association, through action of its Board of Directors, may acquire, hold, and dispose of tangible and intangible personal property and real property. The Declarant or its designee may convey to the Association improved or unimproved real estate located within the property described in Exhibits "A" or "B," personal property and leasehold and other property interests. Upon conveyance or dedication by the Declarant to the Association, such property shall be accepted by the Association and thereafter shall be maintained by the Association at its expense for the benefit of its Members, subject to any restrictions or limitations set forth in the deed of conveyance.

4.3. Rules and Regulations. The Declarant or the Association by and through its Board of Directors, may make, modify and enforce reasonable rules and regulations governing the use of the Properties, which rules and regulations shall be consistent with the rights and duties established by this Declaration. Such rules and regulations shall be binding upon all Owners, occupants, invitees, and licensees, if any, until and unless overruled, cancelled, or modified at a regular or special meeting of the Association by the vote of Members holding at least sixty-seven percent (67%) of the total Class "A" votes in the Association and by the Class "B" Member, so long as such membership shall exist.

4.4 Enforcement. The Board or any committee established by the Board, with the Board's approval, may impose sanctions for violation of this Declaration after compliance with the notice and hearing procedures set forth in Section 3.25 of the By-Laws. Such sanctions may include, without limitation:

(a) imposing monetary fines which shall constitute a lien upon the Lot of the violator (In the event that any occupant, guest or invitee of a Lot violates the Governing Documents and a fine is imposed, the fine shall first be assessed against the occupant; provided however, if the fine is not paid by the occupant within the time period set by the Board, the Owner shall pay the fine upon notice from the Board.);

(b) filing liens in the Public Records for nonpayment of any assessments or fees;

(c) filing notices of violations in the Public Records providing record notice of any violation of the Governing Documents;

(d) suspending an Owner's rights to vote;

(e) suspending any Person's right to use any recreational facilities within the Commons Area; provided however, nothing herein shall authorize the Board to limit ingress or egress to or from a Lot;

(f) suspending any services provided by the Association to an Owner or the Owner's Lot if the owner is more than 30 Days delinquent in paying any assessment or other charge owed to the Association; and

(g) levying Specific Assessments to cover costs incurred in bringing a Lot into compliance in accordance with Section 8.7 (b).

In addition, the Board, or the covenants committee if established, may elect to enforce any provision of this Declaration by entering the Lot and exercising self-help (specifically including, but not limited to, the towing of vehicles that are in violation of parking rules, the removal of pets that are in violation of pet rules, or the correction of any maintenance, construction or other violation of the Declaration) or by suit at law or in equity to enjoin any violation or to recover monetary damages or both without the necessity of compliance with the procedures set forth in the By-Laws.

All remedies set forth in this Declaration and the By-Laws shall be cumulative of any remedies available at all or in equity. In any action to enforce the provisions of the Declaration, if the Association prevails, it shall be entitled to recover all costs, including, without limitation, attorneys fees and court costs, reasonably incurred in such action.

The Association shall not be obligated to take action to enforce any covenant, restriction, or rule which the Board in the exercise of its business judgment determines is, or is likely to be construed as, inconsistent with applicable law, or in any case in which the Board reasonably determines that the Association's position

is not strong enough to justify taking enforcement action. Any such determination shall not be construed a waiver of the right of the Association to enforce such provision under any circumstances or estop the Association from enforcing any other covenant, restriction or rule.

The Association, by contract or other agreement, may enforce county, city, state and federal ordinances, if applicable, and permit local and other governments to enforce ordinances on the Properties for the benefit of the Association and its Members.

4.5. Implied Rights. The Association may exercise any other right or privilege given to it expressly by this Declaration or the By-Laws. The Association may also exercise every other right or privilege reasonably implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege.

4.6. Governmental Interests. For so long as the Declarant owns any property described on Exhibits "A" or "B," the Association shall permit the Declarant to designate sites within the Properties for fire, police, water and sewer facilities, parks, and other public facilities. The sites may include portions of the Common Areas and upon written notice from Declarant, the Association shall execute such documents as may be necessary to convey or dedicate property for such purposes.

4.7. Indemnification. The Association, to the fullest extent allowed by applicable law and in accordance therewith, shall indemnify every officer, director, and committee member against any and all damages and expenses, including counsel fees, reasonably incurred by or imposed upon such officer, director, or committee member in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which he or she may be a party by reason of being or having been an officer, director, or committee member.

The officers, directors, and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers and directors shall have no personal liability with respect to any contract or other commitment made by them in good faith on behalf of the Association (except to the extent that such officers or directors may also be Members of the Association). The Association shall indemnify and forever hold each such officer, director and committee member free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any present or former officer, director, or committee member may be entitled. The Association shall, as a Common Expense, maintain adequate general liability and officers and directors liability insurance to fund this obligation, if such insurance is reasonably available.

4.8. Dedication of Common Areas. The Board shall have the power to dedicate portions of the Common Areas to any local, state, or federal governmental entity, subject to such approval as may be required by Section 14.2.

4.9. Security. The Association may, but shall not be obligated to, maintain or support certain activities within the Properties designed to make the Properties safer than they otherwise might be.

Neither the Association, the Declarant, nor any successor declarant shall in any way be considered insurers or guarantors of security within the Properties. Neither the Association, the Declarant, nor any successor declarant shall be held

liable for any loss or damage for failure to provide adequate security or ineffectiveness of security measures undertaken.

All Owners and occupants of any Lot, and all tenants, guests, and invitees of any Owner, acknowledge that the Association, and its Board of Directors, the Declarant, any successor declarant, and New Construction and Modifications Committees do not represent or warrant that any entry gate, patrolling of the Properties, or other security system designated by or installed according to guidelines established by the Declarant or the New Construction or Modifications Committees may not be compromised or circumvented; nor that any entry gate, patrolling of the Properties, or other security systems will prevent loss by burglary, theft, hold-up, or otherwise; nor that entry gate, patrolling of the Properties or other security systems will in all cases provide the detection or protection for which the system is designed or intended.

All Owners and occupants of any Lot, and all tenants, guests, and invitees of any Owner, acknowledge and understand that the Association, its Board of Directors, committees, Declarant, or any successor declarant are not insurers.

All Owners and occupants of any Lot and all tenants, guests, and invitees of any Owner assume all risks for loss or damage to Persons, to Lots, and to the contents of Lots and further acknowledge that the Association, its Board of Directors, committees, the Declarant, or any successor declarant have made no representations or warranties, nor has any Owner, occupant, or any tenant, guest, or invitee of any Owner relied upon any representations or warranties, expressed or implied, relative to any entry gate, patrolling of the Properties or other security systems recommended or installed or any security measures undertaken within the Properties.

4.10. Covenant(s) to Share Costs. So long as the Class "B" membership exists, the Declarant may, but shall not be obligated to, execute and record various declarations, covenants, and deed restrictions which may constitute covenants running with the title to certain parcels of land outside the Properties, assigning to the owners and occupants of such parcels and their members, guests, employees, agents and invitees, as applicable, certain rights to use all or portions of the Common Areas and obligating the owners of such parcels to share in the certain costs incurred by the Association which benefit such parcels. Such Covenants to Share Costs may expand the Area of Common Responsibility and provide remedies to the owners of such parcels for the Association's failure to perform. Upon request of the Declarant, the Association shall join in such Covenants to Share Costs. The Association shall comply with the terms of any and all such Covenants to Share Costs.

Article V MAINTENANCE

5.1. Association's Responsibility. The Association shall maintain and keep in good repair the Area of Common Responsibility, such maintenance to be funded as hereinafter provided. The Area of Common Responsibility shall include, but need not be limited to: (1) all landscaping and other flora, parks, scenic overlooks, structures, and improvements, including bike and pedestrian pathways/trails serving the Properties or situated upon the Common Area; (2) any private streets shown on any recorded plat of the Properties serving the Properties or situated upon the Common Area or a Lot; and (3) such portions of any additional property included within the Area of Common Responsibility as may be dictated by this Declaration, any Supplemental Declaration, any Covenant to Share Costs, or any covenant, contract, or agreement for maintenance thereof entered into by the Association.

The Association may maintain other property which it does not own, including, without limitation, property dedicated to the public, if the Board of Directors determines that such maintenance is necessary or desirable to maintain the Community-Wide Standard.

Except as otherwise specifically provided herein, all costs associated with maintenance, repair and replacement of the Area of Common Responsibility shall be a Common Expense to be allocated among all Lots as part of the Base Assessment; provided, however, all costs associated with maintenance, repair and replacement of Exclusive Common Area shall be a Neighborhood Expense assessed as a Neighborhood Assessment solely against the Lots within the Neighborhood(s) to which the Exclusive Common Area is assigned.

5.2. Owner's Responsibility. Except to the extent otherwise specifically provided above, each Owner shall maintain his or her Lot and all structures, parking areas, and other improvements on the Lot in a manner consistent with the Community-Wide Standard and all applicable covenants, unless such maintenance responsibility is otherwise assumed by or assigned to the Association or a Neighborhood pursuant to any Supplemental Declaration or other declaration of covenants applicable to such Lot. In addition to any other enforcement rights available to the Association, if any Owner fails properly to perform his or her maintenance responsibility, the Association may perform such maintenance responsibilities and assess all costs incurred by the Association against the Lot and the Owner in accordance with Section 10.7. However, the Association shall afford the Owner reasonable notice and an opportunity to cure the problem prior to entry, except when entry is required due to an emergency situation.

5.3. Neighborhood's Responsibility. Upon resolution of the Board or pursuant to additional covenants applicable to the Neighborhood, a Neighborhood may be delegated responsibility for operating, maintaining and insuring certain portions of the Area of Common Responsibility which are the responsibility of the Association within or adjacent to such Neighborhood. This may include, without limitation, maintaining any signage, entry features, right-of-way and greenspace between the Neighborhood and adjacent public roads, private streets within the Neighborhood, and ponds within the Neighborhood, regardless of ownership and regardless of the fact that such maintenance may be performed by the Association; provided, however, all Neighborhoods which are similarly situated shall be treated the same. The costs of such operation, maintenance, and insurance shall be paid by the Owners within such Neighborhood through either Neighborhood Assessments established by the Board or assessment of the Owners within such Neighborhood by the Neighborhood Association assigned such responsibility.

Any Neighborhood having responsibility for maintenance of all or a portion of the property within such Neighborhood shall perform such maintenance responsibility in a manner consistent with the Community-Wide Standard. If any Neighborhood fails, in the opinion of the Board, to perform its maintenance responsibility as required herein and in any additional covenants, the Association may perform it and assess the costs against all Lots within such Neighborhood as provided in Section 10.7. In addition, the Association may assume such maintenance responsibility by agreement with the Neighborhood and assess the costs thereof as a Neighborhood Assessment against those Lots within the Neighborhood to which the services are provided. The provision of services in accordance with this paragraph shall not constitute discrimination within a class.

5.4. Standard of Performance. Unless otherwise specifically provided herein or in other instruments creating and assigning such maintenance responsibility, responsibility for maintenance shall include responsibility for repair and replacement, as necessary. All maintenance shall be performed in a manner consistent with the Community-Wide Standard and all applicable covenants. Neither the Association, the Declarant, any Owner nor any Neighborhood shall be liable for any damage or injury occurring on, or arising out of the condition of,

property which it does not own except to the extent that it has been negligent in the performance of its maintenance responsibilities hereunder.

5.5 Party Walls, Party Fences and Party Driveways.

(a) Applicability. Each wall, fence or driveway built as a part of the original construction on the Lots:

(i) any part of which is built upon or straddling the boundary line between two adjoining Lots; or

(ii) which is built within four feet of the boundary line between adjoining Lots, has no windows or doors, and is intended to serve as a privacy wall for the benefit of the adjoining Lot; or

(iii) which, in the reasonable determination of the Board, otherwise serves and/or separates two adjoining Lots, regardless of whether constructed wholly within the boundaries of one Lot; shall constitute a party wall, party fence, or party driveway, respectively (herein referred to as "party structures"). The Owners of each such Lot (the "Adjoining Owners") shall own that portion of the party structure lying within the boundaries of their respective Lots and shall have an easement for use and enjoyment and, if needed, for support, in that portion, if any, of the party structure lying within the boundaries of the adjoining Lot.

(b) Maintenance. Upon written request of either Adjoining Owner, which request is delivered to the Board with a copy to the other Adjoining Owner, and agreement of the Board that a party structure is in need of maintenance, repair or replacement, the Board shall perform the necessary maintenance, repair or replacement of the party structure on behalf of the Owners. Except as otherwise provided in subsection (c) below, all costs of such maintenance, repair or replacement shall be assessed equally to the Adjoining Owners and their Lots as a Benefitted Assessment under Section 10.7.

(c) Damage and Destruction. Each Adjoining Owner shall be responsible for maintaining a property insurance policy on that portion of any party structure lying within the boundaries of such Owner's Lot, as more particularly provided in Section 6.3, and shall be entitled to all insurance proceeds paid under such policy on account of any insured loss.

If a party structure is destroyed or damaged by fire or other casualty, the Board shall proceed promptly to repair or restore the party structure and shall assess all costs incurred against the Adjoining Owner who is responsible for insuring the party structure and against his or her Lot as a Benefitted Assessment under Section 10.7. If both Adjoining Owners are responsible for insuring portions of the party structure, then such costs shall be assessed equally against the Adjoining Owners and their Lots. However, nothing herein shall prejudice the right of either Adjoining Owner to recover from the other under any rule of law regarding liability for negligent or willful acts or omissions.

Article VI
INSURANCE

6.1. Association Insurance. The Association, acting through its Board or its duly authorized agent, shall obtain and continue in effect if reasonably available the following types of insurance:

(a) Blanket property insurance covering "risks of direct physical loss" on a "special form" basis (or comparable coverage by whatever name denominated) for all insurable improvements on the Common Area and on other portions

of the Area of Common Responsibility to the extent that it has assumed responsibility for maintenance, repair and/or replacement in the event of a casualty. In addition, the Association may, upon request of a Neighborhood, and shall, if so specified in a Supplemental Declaration applicable to the Neighborhood, obtain and continue in effect property insurance covering "risks of direct physical loss" on a "special form" basis for all insurable improvements in the Neighborhood. If "risks of direct physical loss" on a "special form" basis is not generally available at reasonable cost, then "broad form" coverage may be substituted. All property insurance policies obtained by the Association shall have policy limits sufficient to cover the full insurable replacement cost of the insured property. Costs of property insurance obtained by the Association on the behalf of a Neighborhood shall be charged to the Owners of Lots within the benefited Neighborhood as a Neighborhood Assessment;

(b) Commercial general liability policy on the Area of Common Responsibility, insuring the Association and its Members for damage or injury caused by the negligence of the Association or any of its Members, employees, agents, or contractors while acting on its behalf. If generally available at reasonable cost, the commercial general liability policy shall have a limit of at least \$1,000,000.00 per occurrence with respect to bodily injury, personal injury, and property damage;

(c) Workers compensation insurance and employers liability insurance if and to the extent required by law;

(d) Directors and officers liability coverage;

(e) Fidelity insurance covering all persons responsible for handling Association funds in an amount determined by its best business judgment but not less than one-sixth of the annual Base Assessments on all Lots plus reserves on hand. Fidelity insurance policies shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation; and

(f) Such additional insurance as the Board, in its best business judgment, determines advisable.

(g) The Association shall have no insurance responsibility for any part of property of any Private Amenity.

6.2. Association Policy Requirements. The Association shall arrange for an annual review of the sufficiency of insurance coverage by one or more qualified persons, at least one of whom must be familiar with insurable replacement costs in the Pickens County, South Carolina, area.

All Association policies shall provide for a certificate of insurance to be furnished to each Member insured, to the Association, and to the Neighborhood Association, if any.

Except as otherwise provided in Section 6.1 with respect to property within a Neighborhood, premiums for all insurance on the Area of Common Responsibility shall be Common Expenses and shall be included in the Base Assessment. However, premiums for insurance on Exclusive Common Areas may be included in the Neighborhood Assessment of the Neighborhood(s) benefited unless the Board reasonably determines that other treatment of the premiums is more appropriate.

The policies may contain a reasonable deductible and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the insurance at least equals the coverage required hereunder. In the event of an insured loss, the deductible shall be treated as a Common Expense or a Neighborhood Expense in the same manner as the premiums for the applicable insurance coverage. However, if the Board reasonably determines, after notice and an opportunity to be

heard in accordance with Section 3.22 of the By-Laws, that the loss is the result of the negligence or willful conduct of one or more Owners, their guests, invitees, or lessees, then the Board may assess the full amount of such deductible against such Owner(s) and their Lots in accordance with Section 10.7.

(a) All insurance coverage obtained by the Board shall:

(i) Be written with a company authorized to do business in the State of South Carolina which satisfies the requirements of the Federal National Mortgage Association, or such other secondary mortgage market agencies or federal agencies as the Board requires;

(ii) Be written in the name of the Association as trustee for the benefited parties. Policies on the Common Area shall be for the benefit of the Association and its Members. Policies secured on behalf of a Neighborhood shall be for the benefit of the Neighborhood Association, if any, the Owners of Lots within the Neighborhood, and their Mortgagees, as their interests may appear;

(iii) Not be brought into contribution with insurance purchased by individual Owners, occupants, or their Mortgagees;

(iv) Contain an inflation guard endorsement; and

(v) Include an agreed amount endorsement if the policy contains a co-insurance clause.

(b) In addition, the Board shall be required to use reasonable efforts to secure insurance policies providing the following:

(i) A waiver of subrogation as to any claims against the Association's Board, officers, employees, and its manager, the Owners and their tenants, servants, agents, and guests;

(ii) A waiver of the insurer's rights to repair and reconstruct instead of paying cash;

(iii) An endorsement precluding cancellation, invalidation, suspension, or non-renewal by the insurer on account of any one or more individual Owners, or on account of any curable defect or violation without prior written demand to the Association to cure the defect or violation and allowance of a reasonable time to cure;

(iv) An endorsement excluding individual Owners' policies from consideration under any "other insurance" clause;

(v) An endorsement requiring at least 30 days' prior written notice to the Association of any cancellation, substantial modification, or non-renewal;

(vi) A cross liability provision;

(vii) Vest in the Board exclusive authority to adjust losses; provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related to the loss; and

(viii) List the Lot Owners as additional insureds under the policy.

6.3. Owners Insurance. By virtue of taking title to a Lot, each Owner covenants and agrees with all other Owners and with the Association to carry property insurance for the full insurable replacement cost of his or her Lot, less a

reasonable deductible, and liability insurance, unless either the Neighborhood in which the Lot is located or the Association carries such insurance (which they are not obligated to do hereunder).

Each Owner further covenants and agrees that in the event of damage to or destruction of structures on or comprising a Lot, the Owner shall proceed promptly to repair or to reconstruct in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with Article XI of this Declaration. Alternatively, the Owner shall clear the Lot of all debris and ruins and maintain the Lot in a neat and attractive, landscaped condition consistent with the Community-Wide Standard. The Owner shall pay any costs which are not covered by insurance proceeds.

Additional recorded covenants applicable to any Neighborhood may establish more stringent requirements regarding the standards for rebuilding or reconstructing structures on the Lots within such Neighborhood and the standards for clearing and maintaining the Lots in the event the structures are not rebuilt or reconstructed.

6.4. Damage and Destruction.

(a) Immediately after damage or destruction to all or any part of the Properties covered by insurance written in the name of the Association, the Board or its duly authorized agent shall file and adjust all insurance claims and obtain reliable and detailed estimates of the cost of repair or reconstruction. Repair or reconstruction, as used in this paragraph, means repairing or restoring the property to substantially the condition in which it existed prior to the damage, allowing for changes or improvements necessitated by changes in applicable building codes.

(b) Any damage to or destruction of the Common Area shall be repaired or reconstructed unless Members holding at least sixty-seven percent (67%) of the total Class "A" votes in the Association and the Class "B" Member, if any, decide within sixty (60) days after the loss not to repair or reconstruct.

Any damage to or destruction of the common property of any Neighborhood Association shall be repaired or reconstructed unless the Owners holding at least sixty-seven percent (67%) of the total vote of the Neighborhood Association decide within sixty (60) days after the damage or destruction not to repair or reconstruct.

If either the insurance proceeds or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not available to the Association within such 60-day period, then the period may be extended for not more than sixty (60) additional days. No Mortgagee shall have the right to participate in the determination of whether the damage or destruction to the Common Area or common property of a Neighborhood Association shall be repaired or reconstructed.

(c) If determined in the manner described above that the damage or destruction to the Common Area or to the common property of any Neighborhood Association shall not be repaired or reconstructed and no alternative improvements are authorized, the affected property shall be cleared of all debris and ruins and thereafter shall be maintained by the Association or the Neighborhood Association, as applicable, in a neat and attractive, landscaped condition consistent with the Community-Wide Standard.

6.5. Disbursement of Proceeds. Any insurance proceeds remaining after paying the costs of repair or reconstruction, or after such settlement as is necessary and appropriate shall be retained by and for the benefit of the Association or the Neighborhood Association, as appropriate, and placed in a capital improvements account. This is a covenant for the benefit of Mortgagees and may be enforced by the Mortgagee of any affected Lot.

6.6. Repair and Reconstruction. If insurance proceeds are insufficient to cover the costs of repair or reconstruction, the Board of Directors shall, without a vote of the Members, levy Benefitted Assessments against those Owners responsible for the premiums for the applicable insurance coverage under Section 6.1.

Article VII
NO PARTITION

Except as is permitted in this Declaration or amendments hereto, the Common Area shall remain undivided, and no Owner nor any other Person shall bring any action for partition of the whole or any part thereof without the written consent of all Owners and Mortgagees.

Article VIII
CONDEMNATION

If any part of the Common Area shall be taken (or conveyed in lieu of and under threat of condemnation by the Board acting upon approval of Members holding at least sixty-seven percent (67%) of the total Class "A" votes in the Association and of the Declarant, as long as the Declarant owns any property described on Exhibits "A" or "B") by any authority having the power of condemnation or eminent domain, each Owner shall be entitled to notice thereof. The award made for such taking shall be payable to the Association as trustee for all Owners to be disbursed as follows:

If the taking involves a portion of the Common Area on which improvements have been constructed, then the Association shall restore or replace such improvements so taken on the remaining land included in the Common Area to the extent lands are available, unless within sixty (60) days after such taking the Declarant, so long as the Declarant owns any property described in Exhibits "A" or "B" of this Declaration, and Members holding at least sixty-seven percent (67%) of the total Class "A" vote of the Association shall otherwise agree. Any such construction shall be in accordance with plans approved by the Board. If such improvements are to be repaired or restored, the provisions in Article VI hereof regarding the disbursement of funds for the repair of casualty damage or destruction shall apply.

If the taking does not involve any improvements on the Common Area, or if there is a decision made not to repair or restore, or if there are net funds remaining after any such restoration or replacement is completed, then such award or net funds shall be disbursed to the Association and used for such purposes as the Board of Directors shall determine.

Article IX
ANNEXATION AND WITHDRAWAL OF PROPERTY

9.1. Annexation Without Approval of Membership. The Declarant shall have the unilateral right, privilege, and option, from time to time at any time until December 31, 2003 to subject to the provisions of this Declaration and the jurisdiction of the Association all or any portion of the real property described in Exhibit "B." The Declarant shall have the unilateral right to transfer to any other Person the right, privilege, and option to annex additional property which is herein reserved to Declarant, provided that such transferee or assignee shall be the developer of at least a portion of the real property described in Exhibits "A" or "B" and that such transfer is memorialized in a written, recorded instrument executed by the Declarant. Nothing in this Declaration shall be construed to require the Declarant or any successor to annex or develop any of the property set forth in Exhibit "B" in any manner whatsoever.

Such annexation shall be accomplished by filing a Supplemental Declaration annexing such property in the RMC Office of Pickens County, South Carolina. Such Supplemental Declaration shall not require the consent of any Owner, but shall require the consent of the owner of such property, if other than Declarant. Any such annexation shall be effective upon the filing for record of such Supplemental Declaration unless otherwise provided therein.

9.2. Annexation With Approval of Membership. Subject to the consent of the owner thereof, the Association may annex real property other than that described on Exhibit "B," and following the expiration of the right in Section 9.1, any property described on Exhibit "B," to the provisions of this Declaration and the jurisdiction of the Association. Such annexation shall require the affirmative vote of Members holding a majority of the votes of the Association represented at a meeting duly called for such purpose and the consent of the Declarant, so long as Declarant owns property subject to this Declaration or which may become subject to this Declaration in accordance with Section 9.1.

Annexation shall be accomplished by filing a Supplemental Declaration describing the property being annexed in the public records of Pickens County, South Carolina. Any such Supplemental Declaration shall be signed by the President and the Secretary of the Association, and by the owner of the property being annexed. Any such annexation shall be effective upon filing unless otherwise provided therein.

9.3. Withdrawal of Property. The Declarant reserves the right to amend this Declaration unilaterally at any time so long as it holds an unexpired option to annex property pursuant to this Article, without prior notice and without the consent of any Person, for the purpose of removing certain portions of the Properties then owned by the Declarant or its affiliates or the Association from the provisions of this Declaration, to the extent originally included in error or as a result of any changes whatsoever in the plans for the Properties desired to be effected by the Declarant, provided such withdrawal is not unequivocally contrary to the overall, uniform scheme of development for the Properties.

9.4. Additional Covenants and Easements. The Declarant may unilaterally subject any portion of the Property submitted to this Declaration initially or by Supplemental Declaration to additional covenants and easements, including covenants obligating the Association to maintain and insure such property on behalf of the Owners and obligating such Owners to pay the costs incurred by the Association through Neighborhood Assessments. Such additional covenants and easements shall be set forth in a Supplemental Declaration filed either concurrent with or after the annexation of the subject property and shall require the written consent of the owner(s) of such property, if other than the Declarant.

9.5. Amendment. This Article shall not be amended without the prior written consent of Declarant so long as the Declarant owns any Property described in Exhibits "A" or "B."

Article X ASSESSMENTS

10.1. Creation of Assessments. There are hereby created assessments for Association expenses as may from time to time specifically be authorized by the Board of Directors, to be commenced at the time and in the manner set forth in Section 10.9. There shall be five (5) types of assessments: (a) Base Assessments to fund Common Expenses for the general benefit of all Lots; (b) Neighborhood Assessments for Neighborhood Expenses benefiting only Lots within a particular Neighborhood or Neighborhoods; (c) Special Assessments as described in Section 10.6; and (d) Benefitted Assessments as described in Section 10.7. Each Owner, by acceptance of a deed or recorded contract of sale for any portion of the Properties, is deemed to covenant and agree to pay these assessments.

All assessments, together with interest at a rate to be set by the Board (not to exceed the highest rate allowed by South Carolina law) as computed from the date the delinquency first occurs, late charges, costs, and reasonable attorneys fees, shall be a charge on the land and shall be a continuing lien upon each Lot against which the assessment is made until paid, as more particularly provided in Section 10.8. Each such assessment, together with interest, late charges, costs, and reasonable attorneys fees, also shall be the personal obligation of the Person who was the Owner of such Lot at the time the assessment arose. In the event of a transfer of title to a Lot, the grantee shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance. However, no first Mortgagee who obtains title to a Lot pursuant to the remedies provided in the Mortgage shall be liable for unpaid assessments which accrued prior to such acquisition of title.

The Association shall, upon demand at any time, furnish to any Owner liable for any type of assessment a certificate in writing signed by an officer of the Association setting forth whether such assessment has been paid as to any particular Lot. Such certificate shall be conclusive evidence of payment to the Association of such assessment therein stated to have been paid. The Association may require the advance payment of a reasonable processing fee for the issuance of such certificate.

Assessments shall be paid in such manner and on such dates as may be fixed by the Board of Directors. If the Board so elects, assessments may be paid in installments. Unless the Board otherwise provides, the Base Assessment and any Neighborhood Assessment shall be due and payable in advance on the first day of each fiscal year. If any Owner is delinquent in paying any assessments or other charges levied on his or her Lot, the Board may require any unpaid installments of all outstanding assessments to be paid in full immediately.

No Owner may waive or otherwise exempt himself or herself from liability for the assessments, including, by way of illustration and not limitation, by non-use of Common Area or abandonment of the Lot. The obligation to pay assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of assessment or set-off shall be claimed or allowed by reason of any alleged failure of the Association or Board to take some action or perform some function required to be taken or performed by the Association or Board under this Declaration or the By-Laws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority.

10.2. Declarant's Obligation for Assessments. The Declarant shall pay assessments on all Lots owned by Declarant which are subject to assessments as set forth in Section 10.9, if any. The Declarant shall pay on the same basis as any other Owner in accordance with this Article X.

The Association is specifically authorized to enter into subsidy contracts or contracts for "in kind" contribution of services, materials, or a combination of services and materials with the Declarant or other entities for the payment of some portion of the Common Expenses.

10.3. Computation of Base Assessment. It shall be the duty of the Board, at least ninety (90) days before the beginning of each fiscal year, to prepare a budget covering the estimated Common Expenses of the Association during the coming year. The budget shall include a capital contribution establishing a reserve fund in accordance with a budget separately prepared as provided in Section 10.5.

The Base Assessment shall be levied equally against all Lots and shall be set at a level which is reasonably expected to produce total income for the Association equal to the total budgeted Common Expenses, including reserves. The Board shall take into account the number of Lots subject to assessment under Section 10.9 on the first day of the fiscal year for which the budget is prepared and the number of Lots reasonably anticipated to become subject to assessment during the fiscal year. In determining the level of assessments, the Board, in its discretion, may consider other sources of funds available to the Association, including any amounts due from any party pursuant to a Covenant to Share Costs.

So long as the Declarant has the right unilaterally to annex additional property pursuant to Article IX hereof, the Declarant may elect on an annual basis, but shall not be obligated, to reduce the resulting Base Assessment for any fiscal year by payment of a subsidy (in addition to any amounts paid by Declarant under Section 10.2), which may be either a contribution, an advance against future assessments due from the Declarant, or a loan, in the Declarant's discretion. Any such subsidy shall be conspicuously disclosed as a line item in the Common Expense budget and shall be made known to the membership. The payment of such subsidy in any year shall under no circumstances obligate the Declarant to continue payment of such subsidy in future years, unless otherwise provided in a written agreement between the Association and the Declarant.

The Board shall cause a copy of the budget and notice of the amount of the Base Assessment to be levied against each Lot for the following year to be delivered to each Owner at least thirty (30) days prior to the beginning of the fiscal year for which it is to be effective. Such budget and assessment shall become effective unless disapproved at a meeting by Members holding at least sixty-seven percent (67%) of the total votes in the Association and by the Class "B" Member, if such exists. There shall be no obligation to call a meeting for the purpose of considering the budget except on petition of the Members as provided for special meetings in Section 2.4 of the By-Laws, which petition must be presented to the Board within ten (10) days after delivery of the notice of assessments.

Notwithstanding the foregoing, however, in the event the proposed budget is disapproved or the Board fails for any reason to determine the budget for any year, then and until such time as a budget shall have been determined, the budget in effect for the immediately preceding year shall continue for the current year.

10.4. Computation of Neighborhood Assessments. It shall be the duty of the Board, at least ninety (90) days before the beginning of each fiscal year, to prepare a separate budget covering the estimated Neighborhood Expenses to be incurred by the Association for each Neighborhood on whose behalf Neighborhood Expenses are expected to be incurred during the coming year. Such budget shall include a capital contribution establishing a reserve fund for repair and

replacement of capital items maintained as a Neighborhood Expense, if any, within the Neighborhood. Neighborhood Expenses shall be allocated equally among all Lots within the Neighborhood benefited thereby and levied as a Neighborhood Assessment unless otherwise specified in the Supplemental Declaration applicable to such Neighborhood or if so directed by the Neighborhood in writing to the Board of Directors.

The Board shall cause a copy of such budget and notice of the amount of the Neighborhood Assessment to be levied on each Lot in the Neighborhood for the coming year to be delivered to each Owner of a Lot in the Neighborhood at least thirty (30) days prior to the beginning of the fiscal year. Such budget and assessment shall become effective unless disapproved by a majority vote of the Owners of Lots in the Neighborhood to which the Neighborhood Assessment applies. However, there shall be no obligation to call a meeting for the purpose of considering the budget except on petition of Owners of at least ten percent (10%) of the Lots in such Neighborhood.

In the event the proposed budget for any Neighborhood is disapproved or the Board fails for any reason to determine the budget for any year, then and until such time as a budget shall have been determined, the budget in effect for the immediately preceding year shall continue for the current year.

10.5. Reserve Budget and Capital Contribution. The Board of Directors shall annually prepare reserve budgets for both general and Neighborhood purposes which take into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost. The Board shall set the required capital contribution in an amount sufficient to permit meeting the projected needs of the Association, as shown on the budget, with respect both to amount and timing by annual Base Assessments or Neighborhood Assessments, as appropriate, over the period of the budget. The capital contribution required, if any, shall be fixed by the Board and included within and distributed with the applicable budget and notice of assessments, as provided in Sections 10.3 and 10.4.

10.6. Special Assessments. In addition to other assessments authorized hereunder, the Association may levy Special Assessments from time to time to cover unbudgeted expenses or expenses in excess of those budgeted. Such Special Assessment may be levied against the entire membership, if such Special Assessment is for Common Expenses, or against the Lots within any Neighborhood if such Special Assessment is for Neighborhood Expenses. Except as otherwise specifically provided in this Declaration, any Special Assessment shall have the affirmative vote or written consent of Members holding at least a majority of the total votes allocated to Lots which will be subject to such Special Assessment, and the affirmative vote or written consent of the Class "B" Member, if such exists.

Special Assessments shall be payable in such manner and at such times as determined by the Board, and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved, if the Board so determines.

10.7. Benefitted Assessments. The Board shall have the power to specifically assess expenses of the Association against Lots (a) receiving benefits, items, or services not provided to all Lots within a Neighborhood or within the Properties that are incurred upon request of the Owner of a Lot for specific items or services relating to the Lot or (b) that are incurred as a consequence of the conduct of a particular Owner or Owners, occupants of such Owners' Lots or their licensees, invitees, or guests. The Association may also levy a Benefitted Assessment against any Lot or Neighborhood to reimburse the Association for costs incurred in bringing the Lot or Neighborhood into compliance with the provisions of the Declaration, any applicable Supplemental Declaration, the Articles, the By-Laws, and the Association rules and regulations. Such Benefitted Assessments may be levied upon the vote of the Board after notice to the Owner or Neighborhood, as applicable, and an opportunity for a hearing.

10.8. This Section has been deleted.

10.9. Lien for Assessments. The Association shall have a lien against each Lot to secure payment of delinquent assessments, as well as interest, late charges (subject to the limitations of South Carolina law), and costs of collection (including attorneys fees). Such lien shall be prior and superior to all other liens, except (a) the liens of all taxes, bonds, assessments, and other levies which by law would be superior, and (b) the lien or charge of any first Mortgage of record (meaning any recorded Mortgage with first priority over other Mortgages) made in good faith and for value. Such lien, when delinquent, may be enforced by suit, judgment, and judicial or nonjudicial foreclosure in accordance with South Carolina law.

The Association, acting on behalf of the Owners, shall have the power to bid for the Lot at the foreclosure sale and to acquire, hold, lease, mortgage, and convey the Lot. During the period in which a Lot is owned by the Association following foreclosure: (a) no right to vote shall be exercised on its behalf; (b) no assessment shall be levied on it; and (c) each other Lot shall be charged, in addition to its usual assessment, its equal pro rata share of the assessment that would have been charged such Lot had it not been acquired by the Association as a result of foreclosure. Suit to recover a money judgment for unpaid Common Expenses and attorneys fees shall be maintainable without foreclosing or waiving the lien securing the same.

The sale or transfer of any Lot shall not affect the assessment lien or relieve such Lot from the lien for any assessments thereafter becoming due. However, the sale or transfer of any Lot pursuant to judicial or nonjudicial foreclosure of a first Mortgage shall extinguish the lien as to any installments of such assessments which became due prior to such sale or transfer. Where the Mortgagee holding a first Mortgage of record or other purchaser of a Lot obtains title pursuant to judicial or nonjudicial foreclosure of the Mortgage, it shall not be personally liable for the share of the Common Expenses or assessments by the Association chargeable to such Lot which became due prior to such acquisition of title. Such unpaid share of Common Expenses or assessments shall be deemed to be Common Expenses collectible from Owners of all Lots subject to assessment under Section 10.9, including such acquirer, its successors and assigns.

10.10. Date of Commencement of Assessments. The obligation to pay the assessments provided for herein shall commence as to a Lot on the first day of the month following: (a) the month in which the Lot is made subject to this Declaration, or (b) the month in which the Board first determines a budget and levies assessments pursuant to this Article, whichever is later. The first annual Base Assessment and Neighborhood Assessment, if any, levied on each Lot shall be adjusted according to the number of months remaining in the fiscal year at the time assessments commence on the Lot.

10.11. Failure to Assess. The omission or failure of the Board to fix the assessment amounts or rates or to deliver or mail to each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay Base Assessments and Neighborhood Assessments on the same basis as for the last year for which an assessment was made, if any, until a new assessment is made, at which time any shortfalls in collections may be assessed retroactively by the Association.

10.12. Capitalization of Association. As determined by the Board and upon acquisition of record title to a Lot by the first Owner, a contribution may be required for the working capital of the Association in an amount equal to one-half (1/2) of the annual Base Assessment per Lot for that year. This amount shall be in addition to, not in lieu of, the annual Base Assessment levied on the Lot and shall not be considered an advance payment of any portion thereof. This amount shall be

deposited into the purchase and sales escrow and disbursed therefrom to the Association for use in covering operating expenses and other expenses incurred by the Association pursuant to the terms of this Declaration and the By-Laws.

10.13. Exempt Property. The following property shall be exempt from payment of Base Assessments, Neighborhood Assessments, Special Assessments, and Benefitted Assessments:

(a) All Common Area;

(b) All property dedicated to and accepted by any governmental authority or public utility, including without limitation public schools, public streets, and public parks, if any; and

(c) Property owned by any Neighborhood Association for the common use and enjoyment of its members, or owned by the members of a Neighborhood Association as tenants-in-common, Property of the Declarant not submitted to the Declaration, and Private Amenities.

Article XI ARCHITECTURAL STANDARDS

11.1. General. No structure shall be placed, erected, or installed upon any Lot, and no construction or modification (including staking, clearing, excavation, grading and other site work, exterior alteration or modification of existing improvements, and planting or removal of plants, trees, or shrubs) shall take place except in strict compliance with this Article, until the requirements below have been fully met, and approval of the appropriate committee has been obtained pursuant to Section 11.2.

Nothing contained herein shall be construed to limit the right of an Owner to remodel the interior of his or her Lot or to paint the interiors of the improvements on his or her Lot any color desired. However, modifications or alterations to the interior of screened porches, patios, and similar portions of a Lot visible from outside the Lot shall be subject to approval. No permission or approval shall be required to repaint the exterior of a structure in accordance with the originally approved color scheme or to rebuild in accordance with originally approved plans and specifications.

All dwellings constructed on any portion of the Properties shall be designed by and built in accordance with the plans and specifications of a licensed architect or other qualified building designer.

This Article shall not apply to the activities of the Declarant, Private Amenities, nor to construction or improvements or modifications to the Common Area by or on behalf of the Association.

This Article may not be amended without the Declarant's written consent so long as the Declarant owns any land subject to this Declaration or subject to annexation to this Declaration.

11.2. Architectural Review. Responsibility for administration of the Design Guidelines, as defined below, and review of all applications for construction and modifications under this Article shall be handled by two (2) committees, as described in subsections (a) and (b) of this Section. The members of the committees need not be Members of the Association or representatives of Members, and may, but need not, include architects, engineers or similar professionals, whose compensation, if any, shall be established from time to time by the Board of Directors. The Board of Directors may establish reasonable fees to be charged by

the committees on behalf of the Association for review of applications hereunder and may require such fees to be paid in full prior to review of any application.

(a) New Construction Committee. The New Construction Committee ("NCC") shall consist of at least three (3), but not more than seven (7), Persons and shall have exclusive jurisdiction over all original construction on any portion of the Properties. Until December 31, 2003, the Declarant retains the right to appoint all members of the New Construction Committee who shall serve at the discretion of the Declarant. There shall be no surrender of this right prior to that time except in a written instrument in recordable form executed by Declarant. Upon the expiration of such right, the Board of Directors may, at its option, appoint the members of the New Construction Committee, who shall serve and may be removed at the Board's discretion, or combine the NCC and MC into a single architectural review committee which shall assume all rights and responsibilities for both committees under this Article.

(b) Modifications Committee. The Board of Directors may establish a Modifications Committee ("MC") to consist of at least three (3) and no more than seven (7) persons, all of whom shall be appointed by, and shall serve at the discretion of, the Board of Directors. Members of the Modifications Committee may include architects or similar professionals who are not Members of the Association. The Modifications Committee, if established, shall have jurisdiction over modifications, additions, or alterations made on or to existing structures on Lots or containing Lots and the open space, if any, appurtenant thereto. Notwithstanding the above, the New Construction Committee shall have the right to veto any action taken by the Modifications Committee which the New Construction Committee determines, in its sole discretion, to be inconsistent with the guidelines promulgated by the New Construction Committee.

Members of the NCC and the MC may serve both committees and may also be referred to as the Architectural Review Board or "ARB".

11.3. Guidelines and Procedures.

(a) The Declarant shall prepare the initial design and development guidelines and application and review procedures (the "Design Guidelines") which shall be applicable to all construction activities within the Properties. The Design Guidelines may contain general provisions applicable to all of the Properties, as well as specific provisions which vary from one portion of the Properties to another depending upon the location, unique characteristics, and intended use of such portion of the Properties.

The New Construction Committee, acting on behalf of the Board of Directors, shall adopt such Design Guidelines at its initial organizational meeting and, thereafter, shall have sole and full authority to amend them from time to time.

The New Construction Committee shall make the Design Guidelines available to Owners and Builders who seek to engage in development of or construction upon all or any portion of the Properties and all such Persons shall conduct their activities in strict accordance with such Design Guidelines. Any amendments to the Design Guidelines adopted from time to time by the New Construction Committee in accordance with this Section shall apply to construction and modifications commenced after the date of such amendment only and shall not apply to require modifications to or removal of structures previously approved by the New Construction Committee or Modifications Committee once the approved construction or modification has commenced.

The Modifications Committee may promulgate detailed application and review procedures and design standards governing its area of responsibility and practice. Any such standards shall be consistent with those set forth in the Design

Guidelines and shall be subject to review and approval by the New Construction Committee.

(b) Plans and specifications showing the nature, kind, shape, color, size, materials, and location of all proposed construction and modifications shall be submitted to the appropriate committee for review and approval (or disapproval). In addition, information concerning, without limitation, irrigation systems, drainage, lighting, fences, outdoor pools, and any other special features of such proposed construction or modification, as applicable, shall be submitted.

In the event that the New Construction Committee or Modifications Committee fails to approve or to disapprove any application within thirty (30) days after submission of all information and materials reasonably requested, the application shall be deemed approved. However, no approval, whether expressly granted or deemed granted pursuant to the foregoing, shall be inconsistent with the Design Guidelines unless a variance has been granted in writing by the New Construction Committee pursuant to Section 11.5.

11.4. No Waiver of Future Approvals. The approval of either the New Construction Committee or Modifications Committee of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of such committee, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings, or matters subsequently or additionally submitted for approval or consent.

11.5. Variance. The New Construction Committee may authorize variances from compliance with any of its guidelines and procedures when circumstances such as topography, natural obstructions, hardship, or aesthetic or environmental considerations require, but only in accordance with duly adopted rules and regulations. Such variances may be granted, however, only when unique circumstances dictate, and no variance shall (a) be effective unless in writing; (b) be contrary to the purposes set forth in this Declaration; or (c) estop the New Construction Committee from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the issuance of any permit, or the terms of any financing shall not be considered a hardship warranting a variance.

11.6. Limitation of Liability. Review and approval of any application pursuant to this Article is made on the basis of aesthetic considerations only and neither the New Construction Committee nor the Modifications Committee shall bear any responsibility for ensuring the structural integrity or soundness of approved construction or modifications, nor for ensuring compliance with building codes and other governmental requirements. Neither the Declarant, the Association, the Board of Directors, any committee, or member of any of the foregoing shall be held liable for any injury, damages, or loss arising out of the manner or quality of approved construction or modifications to any Lot.

11.7. Enforcement. Any construction, alteration, or other work done in violation of this Article shall be deemed to be nonconforming. Upon written request from the Board, Owners shall, at their own cost and expense, bring such construction, alteration or other work into conformity with this Article to the satisfaction of the Board or remove such construction, alteration, or other work and shall restore the land to substantially the same condition as existed prior to the construction, alteration, or other work. Should an Owner fail to remove and restore as required hereunder, the Association shall have the right to enter the property, remove the violation, and restore the property to substantially the same condition as existed prior to the construction, alteration or other work. All costs, together with the interest at the maximum rate then allowed by law, may be assessed against the benefited Lot and collected as a Benefitted Assessment pursuant to Section 10.7.

Any contractor, subcontractor, agent, employee, or other invitee of an Owner who fails to comply with the terms and provisions of this Article and the Design Guidelines may be excluded by the Board from the Properties, subject to the notice and hearing procedures contained in the By-Laws. In such event, neither the Association, its officers, or directors shall be held liable to any Person for exercising the rights granted by this paragraph.

In addition to the foregoing, the Board of Directors shall have the authority and standing, on behalf of the Association, to pursue all legal and equitable remedies available to enforce the provisions of this Article and the decisions of the New Construction Committee and Modifications Committee.

11.8. Size of Homes. The New Construction Committee (NCC) reserves the right to establish minimum size requirements for all dwellings constructed on any portion of the Properties. The Declarant in its sole discretion, may increase or decrease the minimum size requirements for Lots or the improvements on a Lot that are owned by the Declarant and/or Lots within future phases of the Properties submitted to this Declaration. The minimum standards applicable to the Lots submitted herewith are as follows:

All one-level dwellings or residences are to have no fewer than 2,000 square feet of heated floor space. All two-story homes shall have a minimum of 1,200 square feet of heated floor space on the main level and a minimum 800 square feet of heated floor space on the other level.

Article XII USE RESTRICTIONS AND RULES

12.1. Plan of Development; Applicability; Effect. Declarant has established a general plan of development for the Properties under this Declaration in order to protect all Owners' quality of life and collective interests, the aesthetics and environment within the Properties, and the vitality of and sense of community within the Properties, all subject to the Board's and the Members' ability to respond to changes in circumstances, conditions, needs, and desires within the community. The Properties are subject to Design Guidelines as set forth in Article XI and other restrictions governing land development, architectural control, individual conduct and uses of or actions upon the Properties. This Declaration, including the initial Use Restrictions attached hereto as Exhibit "C" and incorporated by this reference, and the rules and resolutions adopted by the Board or the Members establish affirmative and negative covenants, easements, and restrictions on the Properties.

All provisions of this Declaration and any rules shall apply to all Owners, occupants, tenants, guests and invitees of any Lot. Any lease on any Lot shall provide that the lessee and all occupants of the leased Lot shall be bound by the terms of this Declaration, the By-Laws, and the rules of the Association.

12.2. Authority to Promulgate Use Restrictions and Rules.

(a) Subject to the terms of this Article and in accordance with its duty of care and undivided loyalty to the Association and its Members, the Board may adopt rules which modify, cancel, limit, create exceptions to, or expand the initial Use Restrictions set forth on Exhibit "C." The Board shall send notice by mail to all Owners concerning any such proposed action at least five business days prior to the Board meeting at which such action is to be considered. Members shall have a reasonable opportunity to be heard at a Board meeting prior to such action being taken.

Any such rules shall become effective unless disapproved at a meeting by Members holding at least sixty-seven percent (67%) of the total Class "A" votes and

by the Class "B" Member, if any. The Board shall have no obligation to call a meeting of the Members to consider disapproval except upon petition of the Members as required for special meetings in By-Laws, Section 2.4.

(b) Alternatively, the Members, at a meeting duly called for such purpose as provided in By-Laws, Section 2.4, may adopt rules which modify, cancel, limit, create exceptions to, or expand the Use Restrictions and previously adopted rules by a vote of Members holding sixty-seven percent (67%) of the total Class "A" votes and the approval of the Class "B" Member, if any.

(c) At least 30 days prior to the effective date of any action under subsections (a) or (b) of this Section, the Board shall send a copy of the rule to each Owner. The Association shall provide, without cost, a copy of the Use Restrictions and rules then in effect to any requesting Member or Mortgagee.

12.3. Owners' Acknowledgment. All Owners and occupants of Lots are given notice that use of their Lots is limited by the Use Restrictions as they may be amended, expanded and otherwise modified hereunder. Each Owner, by acceptance of a deed, acknowledges and agrees that the use and enjoyment and marketability of his or her Lot can be affected by this provision and that the Use Restrictions and rules may change from time to time. If a fine is first levied against an occupant and is not paid timely, the fine may then be levied against the Owner.

12.4. Rights of Owners. Except as may be specifically set forth in the Declaration (either initially or by amendment), including Exhibit "C" attached hereto, neither the Board nor the Members may adopt any rule in violation of the following provisions:

(a) Equal Treatment. Similarly situated Owners and occupants shall be treated similarly.

(b) Speech. The rights of Owners and occupants to display on their Lot political signs and symbols of the kinds normally displayed in or outside of residences located in single-family residential neighborhoods in individually owned property shall not be abridged, except that the Association may adopt reasonable time, place, and manner restrictions for the purpose of minimizing damage and disturbance to other Owners and occupants.

(c) Religious and Holiday Displays. The rights of Owners and occupants to display religious and holiday signs, symbols, and decorations inside structures on their Lots of the kinds normally displayed in residences located in single-family residential neighborhoods shall not be abridged, except that the Association may adopt reasonable time, place, and manner restrictions for the purpose of minimizing damage and disturbance to other Owners and occupants.

(d) Household Composition. No rule shall interfere with the freedom of occupants of Lots to determine the composition of their households, except that the Association shall have the power to require that all occupants be members of a single housekeeping unit and to limit the total number of occupants permitted in each Lot on the basis of the size and facilities of the Lot and its fair use of the Common Area.

(e) Activities Within Dwelling. No rule shall interfere with the activities carried on within the confines of dwellings on the Lots, except that the Association may prohibit activities not normally associated with property restricted to residential use, and it may restrict or prohibit any activities that create monetary costs for the Association or other Owners, that create a danger to the health or safety of occupants of other Lots, that generate excessive noise or traffic, that create unsightly conditions visible outside the Lot, that block the views from other Lots, or that create an unreasonable source of annoyance.

(f) Animals and Pets. The Association may adopt reasonable rules designed to minimize damage and disturbance to other Owners and occupants, including rules requiring damage deposits, waste removal, leash controls, noise controls, pet occupancy limits based on size and facilities of the Lot and fair share use of the Common Area; provided, however, any rule prohibiting the keeping of ordinary household pets shall apply prospectively only and shall not require the removal of any pet which was being kept on the Properties prior to the adoption of such rule. Nothing in this provision shall prevent the Association from requiring removal of any animal that presents an actual threat to the health or safety of residents or from requiring abatement of any nuisance or unreasonable source of annoyance. No Owner shall be permitted to raise, breed or keep animals, livestock or poultry of any kind for commercial or business purposes. Pets shall not be permitted on any golf course, in any lake, or within any Private amenity except in compliance with conditions established by the owner of such Private Amenity.

(g) Allocation of Burdens and Benefits. No rule shall affect the allocation of financial burdens among the various Lots or rights to use the Common Area to the detriment of any Owner over that Owner's objection expressed in writing to the Association. Nothing in this provision shall prevent the Association from changing the Common Area available, from designating Exclusive Common Area, from adopting generally applicable rules for use of Common Area, or from denying use privileges to those who abuse the Common Area, violate rules or this Declaration, or fail to pay assessments. This provision does not affect the right to increase the amount of assessments as provided in Article X.

(h) Leasing. Lots may be leased for residential purposes only. All leases shall require, without limitation, that the tenant acknowledge receipt of a copy of the Declaration, By-Laws, use restrictions, and rules and regulations of the Association. The lease shall also obligate the tenant to comply with the foregoing. The Board may require notice of any lease together with such additional information deemed necessary by the Board. The Board may also adopt rules for the approval of or the limiting an Owners right to lease a Lot. Any lease of a Lot for a term of less than 90 Days shall be approved by the Board unless otherwise exempted by the Declarant pursuant to the development plan.

(i) Reasonable Rights to Develop. No rule or action by the Association or Board shall unreasonably impede the Declarant's right to develop Private Amenities in accordance with Declarants development plans for the Properties or otherwise.

(j) Abridging Existing Rights. Any rule which would require Owners to dispose of personal property being kept on the Properties shall apply prospectively only and shall not require the removal of any property which was being kept on the Properties prior to the adoption of such rule and which was in compliance with all rules in force at such time.

The limitations in this Section 12.4 shall apply to rules only; they shall not apply to amendments to this Declaration adopted in accordance with Section 18.2.

(k) Exterior Structures. No exterior structure of any kind nor any artificial vegetation or sculpture shall be constructed, erected or placed on the outside portion of the Lot, whether such portion improved or unimproved, except in strict compliance with Article. 9. An Owner or occupant residing in a Lots may conduct business activities within the Lots so long as: (a) the existence or operation of the business activity is not apparent or detectable by sight, sound, or smell from outside the Lots; (b) the business activity conforms to all zoning requirements for the Properties; (c) the business activity does not involve regular visitation of the Lots by clients, customers, suppliers, or other business invitees or door-to-door solicitation of residents of the Properties; and (d) the business activity is consistent with the residential character of the Properties and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other residents of the Properties, as may be determined in the sole discretion of the Board.

The terms "business" and "trade", as used in this provision, shall be construed to have their ordinary generally accepted meanings and shall include, without limitation, any occupation, work, or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (a) such activity is engaged in full or part-time, (b) such activity is intended to or does generate a profit, or (c) a license is required.

(c) By act or omission change, waive, or abandon any scheme of regulations or enforcement pertaining to architectural design, exterior appearance or maintenance of Lots and the Common Area (the issuance and amendment of architectural standards, procedures, rules and regulations, or use restrictions shall not constitute a change, waiver, or abandonment within the meaning of this provision.);

14.4. Notice to Association. Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Lot.

14.6. Applicability of Article XIV. Nothing contained in this Article shall be construed to reduce the percentage vote that must otherwise be obtained under the Declaration, By-Laws, or South Carolina law for any of the acts set out in this Article.

Article XV DECLARANT'S RIGHTS

Any or all of the special rights and obligations of the Declarant set forth in this Declaration or the By-Laws may be transferred to other Persons, provided that the transfer shall not reduce an obligation nor enlarge a right beyond that contained in this Declaration or in the By-Laws, as applicable. Furthermore, no such transfer shall be effective unless it is in a written instrument signed by the Declarant and duly recorded in the public records of Pickens County, South Carolina. Nothing in this Declaration shall be construed to require the Declarant or any successor to develop any of the property set forth in Exhibit "B" in any manner whatsoever.

Notwithstanding any provisions contained in this Declaration to the contrary, so long as construction and initial sales of Lots shall continue, it shall be expressly permissible for the Declarant and Builders authorized by Declarant to maintain and carry on upon portions of the Property such facilities and activities as, in the sole opinion of the Declarant, may be reasonably required, convenient, or incidental to the construction or sale of such Lots, including, but not limited to, business offices, signs, model units, sales offices, and rental units. The Declarant and Builders authorized by Declarant shall have easements for access to and use of such facilities. The right to maintain and carry on such facilities and activities shall include specifically, without limitation, the right to use Lots owned by the Declarant and any clubhouse, community center, or other facility which may be owned by the Association, as models, sales offices, or rental units.

In addition, notwithstanding any contrary provision of this Declaration, the By-Laws, or any Association rules, the Declarant shall have the right to replat or revise the recorded plats relating to any portion of the Properties without the consent of any Person other than the owner(s) of the property the boundaries of which are altered.

So long as the Declarant continues to have rights under this Article, no Person shall record any declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument affecting any portion of the Properties without Declarant's review and written consent. Any attempted recordation without compliance herewith shall result in such declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument being void and of no force and effect unless subsequently approved by written consent signed by the Declarant and recorded in the public records.

This Article may not be amended without the express written consent of the Declarant. However, the rights contained in this Article shall terminate upon the earlier of (a) twenty (20) years from the date this Declaration is recorded, or (b) upon recording by Declarant of a written statement that all sales activity has ceased.

Article XVI

Except as provided in Section 16.13, neither membership in the Association nor ownership or occupancy of a Lot shall confer any ownership interest in or right to use any Private Amenity. Rights to use Private Amenities will be granted only to such persons, and on such terms and conditions, as may be determined from time to time by the respective owners of the Private Amenities. The owners of the Private Amenities shall have the right, from time to time, in their sole and absolute discretion and without notice, to amend or waive the terms and conditions of use of their respective Private Amenities, including without limitation, eligibility for and duration of use rights, categories of use and extent of use privileges, and number of users, and shall also have the right to reserve use rights and to terminate use rights altogether, subject to the terms of any written agreements with their respective members.

16.2. Conveyance of Private Amenities. All Persons, including all Owners, are hereby advised that no representations or warranties have been or are made by the Declarant, the Association, any Builder, or by any Person acting on behalf of any of the foregoing, with regard to the continuing ownership or operation of any Private Amenity, and no purported representation or warranty in such regard, either written or oral, shall be effective unless specifically set forth in a written instrument executed by the record owners of the Private Amenities. Further, the ownership or operation of the Private Amenities may change at any time by virtue of, but without limitation, (a) the sale to or assumption of operations of any Private Amenity by a Person other than the current owner or operator; b) the establishment of, or conversion of the membership structure to, an "equity" club or similar arrangement whereby the members of the Private Amenity or an entity owned or controlled by its members become the owner(s) and/or operator(s) of the Private Amenity; or (c) the conveyance of any Private Amenity to one or more affiliates, shareholders, employees, or independent contractors of the Declarant. No consent of the Association, any Neighborhood Association, any Voting Delegate, or any Owner shall be required to effectuate any change in ownership or operation of any Private Amenity, for or without consideration and subject to or free of any mortgage, covenant, lien or other encumbrance.

16.3. View Impairment. Neither the Declarant, the Association, nor the owners of any Private Amenities, guarantees or represents that any view over and across any Private Amenity, the Common Area or any public facilities from Lots will be preserved without impairment. The owners of such property, shall have no obligation to prune or thin trees or other landscaping, and shall have the right, in their sole and absolute discretion, to add trees and other landscaping or to install improvements or barriers (both natural and artificial) to the Private Amenities, the Common Area or the public facilities from time to time. In addition, the owner of any Private Amenity which includes a golf course may, in its sole and absolute discretion, change the location, configuration, size and elevation of the trees, landscaping, bunkers, fairways and greens, improvements and barriers (both natural and artificial) from time to time. Any such additions or changes may diminish or obstruct any view from the Lots and any express or implied easements for view purposes or for the passage of light and air are hereby expressly disclaimed. Each Owner, by acceptance of a deed, acknowledges that any view of a Private Amenity which the Lot may enjoy as of the date of the purchase of the Lot may be impaired or obstructed by the natural growth of existing landscaping, the installation of additional trees, other landscaping or other types of improvements or barriers (both natural and artificial) on the Private Amenity.

16.4. Golf Course. By acceptance of a deed to any Lot, each Owner acknowledges and agrees that owning property adjacent to a golf course has benefits as well as detriments and that the detriments include: (a) the risk of damage to property or injury to persons and animals from golf balls which are hit onto an Owner's Lot or other portion of the Properties or arising from the design,

constriction, operation, maintenance and/or use of the golf course; (b) the entry by golfers onto an Owners Lot or other portion of the Properties utilized by the Owner to retrieve golf balls and/or other acts or omissions of persons using the golf course; (c) overspray in connection with the watering of the roughs, fairways and greens on the golf course; (d) noise from golf course maintenance and operation equipment (including, without limitation, compressors, blowers, mulches, tractors, utility vehicles and pumps, all of which may be operated at all times of the day and night and/or continuously); (e) odors arising from irrigation and fertilization of the turf situated on the golf course; (f) disturbance and loss of privacy resulting from golf cart traffic and golfers; and (g) the existence of water hazards, ponds, and/or lakes on the golf course. Additionally, each Owner acknowledges that pesticides and chemicals may be applied to the golf course throughout the year and that reclaimed water, treated waste water or other sources of non-potable water may be used for irrigation of the golf course.

Each Owner hereby assumes such risks of owning property adjacent to a golf course and forever waives and relinquishes, and agrees not to institute any action or suit at law or in equity nor to institute or prosecute, any claim demand or compensation against the owner or manager of any such Private Amenity, the Declarant, or any successor Declarant; the Association or its Members (in their capacity as such); the owner(s) of the Private Amenities or their successors, successors-in-title, or assigns; any Builder or contractor (in their capacities as such); any officer, director, member, manager, or partner of any of the foregoing, or any officer, director, member or manager of any partner of the foregoing for or on account of any damages, loss, or injury either to person or property, or both, resulting directly or indirectly from the design, construction, operation, maintenance and/or use of the golf course. Each Owner hereby agrees to take any necessary steps to maintain adequate hazard and other insurance policies to protect such Owner and such Owner's family, guests, invitees, agents and employees against all such risks associated with the golf course.

16.6. Rights of Access and Parking. There is hereby established for the benefit of the Private Amenities and their members (regardless of whether such members are Owners hereunder), guests, invitees, employees, agents, contractors, and designees, a right and nonexclusive easement of access and use over all roadways located within the Properties reasonably necessary to travel between the entrance to the Properties and the Private Amenities and over those portions of the Properties (whether Common Area or otherwise) reasonably necessary to the operation, maintenance, repair, and replacement of the Private Amenities. Without limiting the generality of the foregoing, members of the Private Amenities and guests and invitees of the Private Amenities shall have the right to park their vehicles on the roadways located within the Properties at reasonable times before, during, and after tournaments and other similar functions held by or at the Private Amenities to the extent that the Private Amenities have insufficient parking to accommodate such vehicles.

16.7. Covenant to Share Costs. The Association and a Private Amenity may enter into a contractual arrangement or Covenant to Share Costs obligating the Private Amenity or the Association to contribute funds for, among other things, shared property or services and/or a higher level of Common Area maintenance.

16.8. Architectural Control. Neither the Association, nor any committee thereof, shall approve or permit any construction, addition, alteration, change, or installation on or to any portion of the Properties which is adjacent to, or otherwise in the direct line of sight of, any Private Amenity without giving the Private Amenity at least 15 days prior written notice of its intent to approve or permit the same together with copies of the request and all other documents and information finally submitted in such regard. The Private Amenity shall then have 15 days to approve or disapprove the proposal in writing delivered to the appropriate committee or Association, stating in detail the reasons for any disapproval. The failure of the Private Amenity to respond to the notice within the 15-day period

shall constitute a waiver of the Private Amenity's right to object to the matter. This Section shall also apply to any work on the Common Area.

16.9. Use Restrictions. Upon request of the owner of any Private Amenity, the Association shall enforce its use restrictions and rules against any Owner or occupant violating such regulations within such Private Amenity, including but not limited to the exercise of the Association's self-help rights for violation of sign and pet restrictions.

16.10. Limitations on Amendments. In recognition of the fact that the provisions of this Article are for the benefit of the Private Amenities, no amendment to this Article, and no amendment in derogation of any other provisions of this Declaration benefiting any Private Amenity, may be made without the written approval of the owner(s) of the affected Private Amenity. The foregoing shall not apply, however, to amendments made by the Declarant.

16.11. Jurisdiction and Cooperation. It is Declarant's intention that the Association and the Private Amenities shall cooperate to the maximum extent possible in the operation of the Properties and the Private Amenities. Each shall reasonably assist the other in upholding the Community-Wide Standard as it pertains to maintenance and the Design Guidelines. The Association shall have no power to promulgate use restrictions or rules affecting activities on or use of the Private Amenities without the prior written consent of the owners of the Private Amenities affected thereby.

16.12. Assessments. No Private Amenity shall be obligated to pay to the Association any assessments as described in Article X hereof. However, each Private Amenity may be obligated to contribute funds to the Association for maintenance of portions of the Area of Common Responsibility in accordance with a Covenant to Share Costs.

16.13. Club Membership. The recreational facilities owned by the Club are available to Owners only through Club Membership. Each Lot Owner shall be entitled to purchase a social/athletic membership in the Club upon payment of the purchase price determined by the Club. Such social/athletic Club Membership shall entitle the Owner to utilize the recreational facilities of the Club as determined by the Club, but shall not include the right to use the Golf Course. Upon application to the Club, a social/athletic member of the Club may acquire a separate membership to use the golf course facilities of the Club. If no social/athletic membership in the Club is acquired upon acquisition of a Lot, the Owner of such Lot shall not be entitled to use the recreational facilities of the Club nor shall such Owner be eligible to acquire a golf membership.

Upon resale of a Lot, the Owner thereof shall be entitled to a partial refund of the initial purchase price associated with such Owner's Club membership(s) provided that the purchaser of the Lot acquires the same type of Club membership(s) as held by the selling Owner. The purchaser of any Lot will be required to pay the purchase price then in effect for the types of membership such purchaser elects to acquire.

The structure of Club Memberships available to Owners and the use rights associated with each type of Club Membership, is determined in the sole discretion of the Club, and such structure may be modified only by the Club. The monthly fees or use fees associated with each type of Club Membership are dependent upon and determined by the Club, and may be modified from time to time in the sole discretion of the Club. The Club has the right to determine the number of users, and the right to terminate use rights altogether, subject to the terms of any written agreements with its members.

Club Membership is not currently mandatory for Lot Owners; however, Declarant reserves the right to enter into an agreement with the Club whereby Lot Owners may be required to acquire Club Memberships.

Article XVII
GENERAL PROVISIONS

18.1. Term. The covenants and restrictions of this Declaration shall run with and bind the Properties and shall inure to the benefit of and shall be enforceable by the Association or the Owner of any Properties, their respective legal representatives, heirs, successors, and assigns, for a term of thirty (30) years from the date this Declaration is recorded. After such time the covenants and restrictions shall be automatically extended for successive periods of ten (10) years, unless an instrument in writing, signed by a majority of the then Owners, has been recorded within the year preceding the beginning of each successive period of ten (10) years, agreeing to change said covenants and restrictions, in whole or in part, or to terminate the same, in which case this Declaration shall be modified or terminated as specified therein.

18.2. Amendment.

(a) By Declarant. Until termination of the Class "B" membership, Declarant may unilaterally amend this Declaration for any purpose. Thereafter, if such amendment is (i) necessary to bring any provision into compliance with any applicable governmental statutes, rule, regulation, or judicial determination; (ii) necessary to enable any reputable title insurance company to issue title insurance coverage on the Lots; (iii) required by an institutional or governmental lender or purchaser of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase mortgage loans on the Lots; (iv) necessary to enable any governmental agency or reputable private insurance company to insure or guarantee mortgage loans on the Lots; or (v) otherwise necessary to satisfy the requirements of any governmental agency. However, any such amendment shall not adversely affect the title to any Lot unless the Owner shall consent thereto in writing. So long as the Declarant still owns property described in Exhibits "A" or "B" for development as part of the Properties, it may unilaterally amend this Declaration for any other purpose, provided the amendment has no material adverse effect upon any substantive right of any Owner unless such affected Owner shall consent thereto in writing.

(b) By Owners. Except as otherwise specifically provided herein, this Declaration may be amended only by the affirmative vote or written consent, or any combination thereof, of Members holding at least sixty-seven percent (67%) of the total votes in the Association, and the consent of the Declarant, so long the Declarant has an option to subject additional property to this Declaration pursuant to Section 9.1. In addition, the approval requirements set forth in Article XIV hereof shall be met if applicable. Notwithstanding the above, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

(c) Effective Date and Validity. To be effective, any amendment to this Declaration must be recorded in the RMC Office of Pickens County, South Carolina.

If an Owner consents to any amendment to this Declaration or the By-Laws, it will be conclusively presumed that such Owner has the authority so to consent,

and no contrary provision in any Mortgage or contract between the Owner and a third party will affect the validity of such amendment.

No amendment may remove, revoke, or modify any right or privilege of the Declarant without the written consent of the Declarant or the assignee of such right or privilege.

18.3. Severability. Invalidation of any provision or portion of a provision of this Declaration by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect.

18.4. Perpetuities. If any of the covenants, conditions, restrictions, or other provisions of this Declaration shall be unlawful, void, or voidable for violation of the rule against perpetuities, then such provisions shall continue only until twenty-one (21) years after the death of the last survivor of the now living descendants of Elizabeth II, Queen of England.

18.5. Litigation. Except as otherwise specifically provided below, no judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by a vote of Owners holding seventy-five percent (75%) of the total votes of the Association. This Section shall not apply, however, to (a) actions brought by the Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens); (b) the imposition and collection of assessments as provided in Article X; (c) proceedings involving challenges to ad valorem taxation; or (d) counterclaims brought by the Association in proceedings instituted against it. This Section shall not be amended unless such amendment is approved by the percentage of votes, and pursuant to the same procedures, necessary to institute proceedings as provided above.

18.6. Cumulative Effect; Conflict. The covenants, restrictions, and provisions of this Declaration shall be cumulative with those of any Neighborhood, and the Association may, but shall not be required to, enforce the covenants, conditions, and provisions of any Neighborhood; provided, however, in the event of conflict between or among such covenants and restrictions, and provisions of any articles of incorporation, by-laws, rules and regulations, policies, or practices adopted or carried out pursuant thereto, those of any Neighborhood shall be subject and subordinate to those of the Association. The foregoing priorities shall apply, but not be limited to, the liens for assessments created in favor of the Association.

18.7. Compliance. Every Owner and occupant of any Lot shall comply with all lawful provisions of this Declaration, the By-Laws, and the rules and regulations of the Association. Failure to comply shall be grounds for an action to recover sums due, for damages or injunctive relief, or for any other remedy available at law or in equity, maintainable by the Association or, in a proper case, by any aggrieved Lot Owner(s). In addition, the Association may avail itself of any and all remedies provided in this Declaration or the By-Laws.

18.8. Notice of Sale or Transfer of Title. In the event that any Owner desires to sell or otherwise transfer title to his or her Lot, such Owner shall give the Board of Directors at least seven (7) days prior written notice of the name and address of the purchaser or transferee, the date of such transfer of title, and such other information as the Board of Directors may reasonably require. The transferor shall continue to be jointly and severally responsible with the transferee for all obligations of the Owner of the Lot coming due prior to the date upon which such notice is received by the Board of Directors including assessment obligations, notwithstanding the transfer of title to the Lot.

Each transferee of a Lot shall, within seven (7) days of taking title to a Lot, confirm that the information previously provided by the transferor is complete and accurate.

EXHIBIT "C"

Initial Use and Building Restrictions

(a) General. This Article sets out certain use restrictions which must be complied with by all Owners and occupants of any Lots. The Lots shall be used only for residential, recreational, and related purposes (which may include, without limitation, model homes, an information center and/or a sales office for any real estate broker retained by the Declarant to assist in the sale of property described on Exhibits "A" or "B", offices for any property manager retained by the Association, business offices for the Declarant or the Association or related parking facilities) consistent with this Declaration and any Supplemental Declaration.

(b) Building Restrictions.

(i) All Lots shall be used only for single family residential purposes. The Lots shall not be used for business, commercial, industrial uses. No structure shall be erected, altered, placed or permitted to remain on any Lot other than one single family residential dwelling not exceeding 2 ½ stories in height above ground together with accessory buildings and facilities customarily incident to single family residences.

(ii) No mobile home or structure having the characteristics or appearance of a mobile home shall be located upon any Lot. No detached garage, gazebos, trailer, basement, shack, tent, barn or other out building located on any Lot nor dock, nor boat (including a houseboat) whether docked at any dock or pier connected to any Lot or docked at any floating dock or pier or otherwise moored adjacent to any Lot or the Property, may at any time be used as a residence.

(iii) All buildings and outbuildings erected upon any Lot or upon the Property shall be constructed in proper, workmanlike manner. The exterior surface of any building shall not be of asbestos shingle siding, imitation brick or stoneroll siding, or exposed concrete or cement blocks. The exterior surface of any garage, outbuilding or appurtenant structure or building erected on or located on any Lot or the Property shall be aesthetically compatible with, and of material and construction comparable in cost and design to, the exterior surface of the dwelling located on the Property or such Lot.

(iv) No residence or building of a temporary nature shall be erected or allowed to remain on any Lot.

(v) No building on any Lot (including any stoops, porches, or decks) whether attached or unattached shall be erected or permitted to remain on any waterside Lot line of any Lot nearer than fifty feet (50') measured horizontally from the 800 foot contour elevation shoreline of Lake Keowee (the "Lake Setback Reference Point"). As provided in the Design Guidelines, the Lake Setback Reference Point is not necessarily a fixed point until established by survey and approved by the NCC. Boat docks, stairs, piers and dock facilities are exempt from this setback restriction provided, however, that all Lakefront Lot Owners must, prior to applying for a dock, dredging, or other permit from Duke Power, first apply to the NCC for a dock, clearing and/or dock access/construction permit and/or license and then comply with requirements contained in the Design Guidelines and all applicable rules, regulations of the NCC, Duke Power Company and any requirements, and regulations of all governmental authorities having jurisdiction over any Lot, the Property or the Lake Keowee Project. In the event any zoning or subdivision ordinance, floodway regulations or other ordinance, law or regulation applicable to any Lot or the Property shall prescribe greater setbacks, then all buildings erected during the pendency of that zoning or subdivision ordinance, floodway regulations or other ordinance, law or regulation shall conform to said requirements.

(vi) All trees, shrubs, and ground cover within 50 feet of the Lake Setback Reference Point are considered to be protected vegetation in that the cutting and clearing generally is not permitted therein without the prior written consent of NCC. Variances may be granted for dead or diseased trees, poisonous plants, under brushing, thinning of understory to provide better views, or planting of grass or ground covers.

(vii) "Mature trees" within 50 feet of the Lake Setback Reference Point may not be cut down or otherwise removed without the specific written approval of NCC. "Mature trees" for purposes of this restriction shall mean all evergreen or deciduous tree with a caliper of 6 inches or greater.

(viii) Tree Removal. No trees that are more than 6 inches in diameter at a point 2 feet above the ground shall be removed without the prior written consent of the ARB; provided however, any trees, regardless of their diameter, that are located within 10 feet of a drainage area, a septic field, a sidewalk, a residence, or a driveway, or any diseased or dead trees needing to be removed to promote the growth of other trees or for safety reasons may be removed without the consent of the NCC. The NCC may adopt or impose requirements for, or condition approval of, tree removal upon the replacement of any tree removed. Furthermore, in the event the trees, shrubs, or ground cover is removed in connection with the improvement of any Lot at least 50% of the area cleared of such vegetation (excluding build-upon area) shall be replaced with grass or other vegetative cover and such grass or other vegetative cover shall be maintained by the owner of any such Lot.

(ix) Any dwelling erected on any Lot or the Property shall be served by a septic tank or sewage disposal system which has been approved by and constructed and maintained in accordance with all the regulations and requirements of all governmental authorities and regulatory agencies having jurisdiction.

(x) No water craft equipped with a marine toilet having a fixed or portable holding tank, or a through hull or overboard discharge toilet, shall be permitted at any piers or boat slips constructed on or connected with the Property or any Lot or at any other pier or boat slip adjacent to any portion of the Property or any Lot, or otherwise moored, anchored or docked in the waters of Lake Keowee adjacent to any Lot or portion of the Property.

(xi) The owner of a Lot shall provide a gravel or paved driveway which provides space for parting two automobiles off the street prior to the occupancy of any dwelling constructed on any such Lot. Vehicles shall not be parked within the right of way of any street adjoining any Lot, nor shall vehicles not be parked or stored on any part of the Property or any Lot not improved for such purpose (i.e. driveways, parking pad, garage, etc.), but this restriction does not preclude occasional overflow parking within the street right of way for guests or other reasonable purposes provided that no unreasonable inconvenience is imposed on the owner of other Lots or adjoining property. No truck or commercial vehicle in excess of one-ton load capacity or any vehicle under repair, or any trailer, wrecked or junked motor vehicle shall be parked upon or permitted to remain on any of the Property or Lot. No trailer, motor home, recreational vehicle, camper or boat shall be used as a residence either permanently or temporarily. All (permitted) trucks, trailers, campers, motor homes and recreational vehicles must have a current license plate affixed and must be parked either in an enclosed garage or on a gravel or paved driveway in the back or side yard of the Property or any Lot, but not within 50 feet of the Lakefront Reference Setback Point. All automobiles must have a current license plate affixed and must be parked in a carport, enclosed garage, or on a gravel or paved driveway. Trailers of any type and boats on waterfront setback. No vehicle of any type which is abandoned or inoperative shall be stored or kept on the Property or any Lot and no vehicles or mechanical equipment may be dismantled or allowed to accumulate on the Property or any Lot so that it is visible from any property or street adjoining the Property or such Lot or from other Lots.

(xii) All construction, landscaping or other work which has been commenced on the Property or any Lot must be continued with reasonable diligence to completion and no partially completed houses or other improvements shall be permitted to exist on the Property or any Lot, except during such reasonable time period as is necessary for completion. The exterior of any building must be completed within one (1) year from the date of commencement of construction.

(xiii) Every restriction, set out herein or referred to herein is hereby declared to be independent of and severable from each other, and if any of same shall be held by a court of competent jurisdiction to be invalid or unenforceable, all the remainder of the restrictions shall continue unimpaired and in full force and effect.

(xiv) No owner of any Lot shall have any claim or cause of action against Crescent Resources, Inc., Duke Power Company, The Cliffs at Keowee Vineyards, LLC or the NCC, its subsidiaries, affiliates or its licensees arising out of the exercise or non-exercise of the restrictions herein.

(xv) If any owner of any Lot including its heirs, successors or assigns shall violate or attempt to violate any of the covenants or restriction set out herein, it shall be lawful for Declarant, any subsequent owners of Declarant's remaining lands adjoining or in the vicinity of the Property and any owners of any Lots, their respective heirs, successors and assigns to prosecute proceedings at law or in equity against the person or entity violating or attempting to violate the same either to prevent or remediate such violation or recover damages or other amounts for such violation and the party bringing such action shall be entitled to recover its attorney's fees and expenses incurred in any such proceedings from the persons or entity violating or attempting to violate the same. No delay or failure on the part of ARC or any other party entitled to enforce these restrictions to invoke an available remedy in respect to a violation of any provision contained herein or referred to herein shall be held to be a waiver by ARC or any other party entitled to enforce these restrictions of any right available to it upon the recurrence or continuance of said occurrence of a different violation.

(c) Restricted Activities. The following activities are prohibited within the Properties unless expressly authorized by, and then subject to such conditions as may be imposed by, the Board:

(i) Parking of commercial vehicles, recreational vehicles, trailers, mobile homes, boats or other water craft, or other oversized vehicles, stored vehicles or inoperable vehicles in places other than enclosed garages or such other portions of the Lot screened so that they are not visible from neighboring Lots, streets, or property located adjacent to the Lot;

(ii) Capturing, trapping or killing of wildlife within the Properties, except in circumstances posing an imminent threat to the safety of persons using the Properties;

(iii) Raising, breeding or keeping of animals, livestock, or poultry of any kind, except that a reasonable number of dogs, cats, or other usual and common household pets may be permitted in a Lot. All dogs shall at all times whenever they are outside a Lot be confined on a leash held by a responsible person. Those pets which are permitted to roam free, or, in the sole discretion of the Board, make objectionable noise, endanger the health or safety of, or constitute a nuisance or inconvenience to the occupants of other Lots shall be removed upon request of the Board. If the pet owner fails to honor such request, the Board may remove the pet;

(iv) Catch basins and drainage areas are for the purpose of natural flow of water only. No obstructions or debris shall be placed in these areas. No Owner or occupant may obstruct or rechannel the drainage flows after location and installation of drainage swales, storm sewers, or storm drains. No person shall

alter the grading of any Lots without prior written approval pursuant to Article 9 of this Declaration. The Declarant hereby reserves for itself and the Association a perpetual easement across the Properties for the purpose of altering drainage and water flow. However, the exercise of such an easement shall not materially diminish the value of or unreasonably interfere with the use of any Lots without the Owner's consent.

(v) Subdivision of a Lot into two or more Lots after a subdivision plat including such Lot has been approved and filed, or changing the boundary lines of any Lot, except that the Declarant and Builders, with Declarant's consent, shall be permitted to subdivide or change the boundary lines of Lots which they own;

(vi) Operation of a timesharing, fraction-sharing, or similar program whereby the right to exclusive use of the Lot rotates among participants in the program on a fixed or floating time schedule over a period of years, except that Declarant and its assigns may operate such a program with respect to Lots which it owns;

(vii) Any business, trade, garage sale, moving sale, rummage sale, or similar activity, except that an Owner or occupant residing in a Lot may conduct business activities within the Lot so long as: (a) the existence or operation of the business activity is not apparent or detectable by sight, sound, or smell from outside the Lot; (b) the business activity conforms to all zoning requirements for the Properties; (c) the business activity does not involve regular visitation of the Lot by clients, customers, suppliers, or other business invitees or door-to-door solicitation of residents of the Properties; and (d) the business activity is consistent with the residential character of the Properties and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other residents of the Properties, as may be determined in the sole discretion of the Board. This subsection shall not apply to any activity conducted by the Declarant, a Builder approved by the Declarant or any assignee of the Declarant with respect to its development and sale of the Properties or its use of any Lots which it owns within the Properties, including the operation of a timeshare or similar program;

(viii) Any construction, erection, modification, or placement, permanent or temporarily, on the outside portions of the Lot and whether such portion is improved or unimproved except as provided in the Declaration; and,

(ix) Erection of signs within the Properties except as provided in the Declaration. The Board may restrict the size, color, lettering, and placement of signs. This restriction shall not apply to signs erected by the Declarant.

(d) Signs. No sign of any kind shall be erected by an Owner or occupant without the prior written consent of the NCC or MC, as applicable, except:

(i) such signs as may be required by legal proceedings; and

(ii) not more than one professional security sign of such size deemed reasonable by the NCC in its sole discretion.

Unless in compliance with this Section, no signs shall be posted or erected by any Owner or occupant within any portion of the Properties, including the Common Area, any Lots any structure or dwelling located on the Common Area or any Lots (if such sign would be visible from the exterior of such structure or dwelling as determined in the ARB's sole discretion) or within any Private Amenity.

The NCC reserves the right to prohibit "for sale" or "for lease" signs and to restrict the size, color, lettering, design and placement of all signs. This provision shall not apply to entry, directional, or other signs installed by the Declarant.

(e) Nuisance. No noxious or offensive activity shall be carried on within the Properties, nor shall anything be done tending to cause embarrassment, discomfort, annoyance, or nuisance to any Person using any property within the Properties. There shall not be maintained any plants or animals or device or thing of any sort whose activities or existence in any way is noxious, dangerous, unsightly, unpleasant, or of a nature as may diminish or destroy the enjoyment of the Properties. Without limiting the generality of the foregoing, no speaker, horn, whistle, siren, bell, amplifier or other sound device, except such devices as may be used exclusively for security purposes or as approved by the NCC, shall be located, installed or maintained upon the exterior of any Lots unless required by law.

It shall be the responsibility of each Owner and occupant to prevent the development of any unclean, unhealthy, unsightly, or unkempt condition on his or her property.
